OFFICE OF THE
SECOND MEMBER OF COUNCIL

NOTE

Dated 9th February *193* 7.

According to Government Order No F.8625/S.& A.550-34-1 dated 22nd May 1935, Members of Council are allowed to draw daily allowance of Rs.20 a day for halts at Bombay, Delhi and Simla. I would suggest that this rate be allowed for halts in Lucknow, which is also an expensive place. (Special halting allowances have been sanctioned for members of the Industries and Commerce Department who were deputed for the Exhibition at Lucknow).

The Comptroller's disallowance slip relating to my travelling allowance bill for December 1936 is attached for reference.

Chief Secretary,
with compliments.

(5) 2) Under G.O. No 4 0625 S+A 5-10-34 & 22.5.35, Members of Council are allowed D.A at Rs 20/ per day for halts at Bombay, Delhi & Simla. In working out the above rule halts in places other than the above three have been held to be outside the rule & the rate claimed for the halt of the Second Member at Lucknow has been disallowed.

(p) This ruling is quoted in Financial Secy's note at page 7 of the notes in the S+A file leading to the above G.O. of 22.5.35. The three places referred to seem to have been referred to as illustrations of costly places in the case of which the rate of D.A has to be allowed. Under the circumstances the G.O requires modification. Submitted for orders.

(5) 3) As in the Govt. order 3 particular places only have been specified, the audit office could not allow Double D.A. for halts at other places.

the Fin. Secy. has agreed that Lucknow also is a costly place for which double ordinary D.A. might be given as in the case of Bombay, Delhi and Simla.

It is for orders whether the G.O. d. 22.5.1935 (re: T.A. to Members of Council) may not be amended by including "Lucknow" also among places for which double rates are allowed, and the amount now objected to ordered to be admitted by the Comptroller.

6) The question of inclusion of 'Lucknow' as a costly place for grant of double Daily allowance for all occasions may perhaps be considered separately if the Member agrees. When I agreed to the grant of double the D.A. for the halts at Lucknow of the Director of Industries and Commerce recently, I thought that the place was
